SEO & Data Structuring Constraints

Schema Architecture

{...}

Mandatory implementation of **RealEstateAgent** and **Product** Schema.org microdata.

↳ Purpose: Local geo-targeted indexing for high-value queries in Sarjapur, Varthur, and Whitefield.

Navigation Guardrails

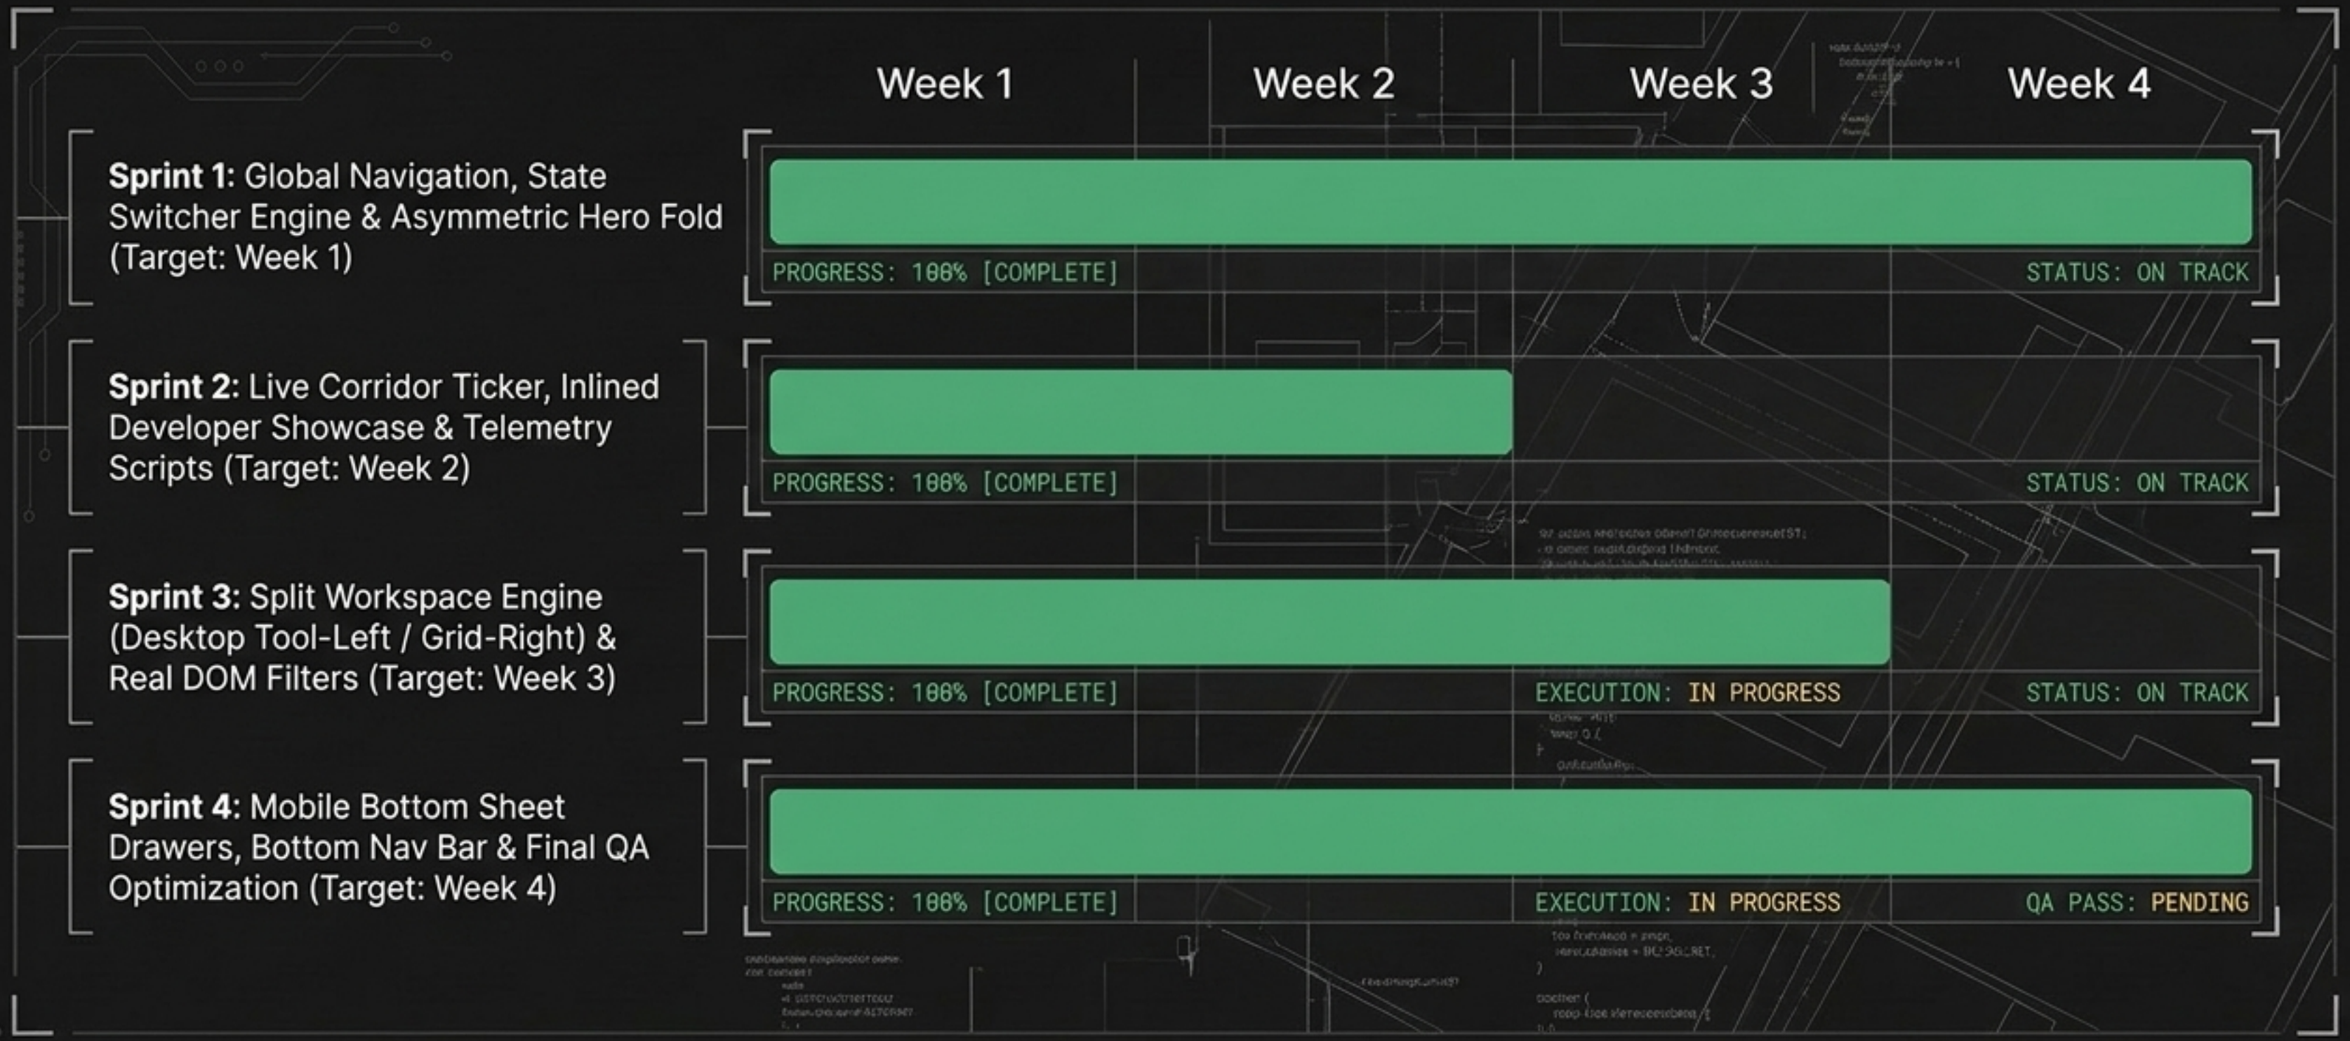

Home >
> Residential >
> Varthur >
> Project

Dynamic breadcrumb navigation must be implemented globally to ensure search engine sitelink acquisition.

↳ Ensure hierarchical integrity across all pages.
